Administrators' Message

'It always seems impossible until it is done.' N. Mandela

June is here, it came so quickly! As we reflect back on the year, we can be proud of so many accomplishments of our students and school community. This year we purchased new risers that will enable us to enjoy our assemblies and chapels; this purchase was made possible by our community. Once again our Brentwood Dance Off was a success!

We showcased some of the wonderful talent in our school at the Brentwood has Talent assembly! We truly have so many talented students! Thanks to the committee that worked so hard to make the show a success!

Next week students will participate in Brentwood in Motion, our annual event!

On behalf of the staff, I would like to take this opportunity to wish all of you a happy, healthy summer! To our grade six students and other students moving on, we wish you all the best in your new schools.

Tools for School

Brentwood Elementary has once again partnered with the United Way for the 2018-19 Tools for School campaign. Annually, Tools for School provides backpacks and school supplies to students in Kindergarten through Grade 12 whose families have limited resources. If you're a parent or know a parent who needs access to the program, contact our school directly. We'll discretely provide the backpack to your child at the beginning of the 2018-19 school year.

Alternatively, if you'd like to donate to the program, you can pick up few extra supplies when you're out shopping for back to school. Drop-off boxes are located at various businesses in the community during the summer months—including Staples and the Central Office at Elk Island Public Schools. All supplies donated within our community are invested back into in our region.

For more information about Tools for School, contact **the office of Brentwood 780-467-5591** or call the Central Office at 780-464-3477.

Student Transportation Services for 2018-19

Planning to use Student Transportation in the 2018-19 school year? If so, make sure your child is registered so Elk Island Public Schools (EIPS) can plan routes and send your child a bus pass before the first day of school.

All students who indicated needing transportation services through the pre-enrolment process are now registered. Those families have also received tentative route schedules and invoices—all fees are due June 30, 2018.

For those students who didn't indicate needing transportation service through the pre-enrolment process and want to now register, simply contact EIPS Student Transportation at 780-417-8151 or email st@eips.ca.

For more information about EIPS Student Transportation visit www.eips.ca/transportation.

NOTE: Fees can be paid online using the [PowerSchool Parent Portal](#) or in-person at the Student Transportation office—683 Wye Rd., Sherwood Park. The office will remain open during the summer months operating during the same hours as Central Administration.

Little Elk Island Adventure: Registration

Elk Island Public Schools is once again running Little Elk Island Adventure, a fun and informative program for *first-time school bus riders*.

Annually, Student Transportation offers the Little Elk Island Adventure to new riders and their parents. The program's aim is to help ease any anxieties a family may have about riding the bus before even starting school. Through a series of activities, riders learn about: school bus safety, danger zones, tips on boarding and how to sit properly on the bus. After that, both the children and parents hop on the bus to practice what they've learned and then venture out on a short ride.

The Little Elk Island Adventure is for *first-time school bus riders* entering the 2018-19 school year. Sessions and times are available at these locations:

Location	Date	Time
EIPS Central Office	August 21	6pm
EIPS Central Office	August 23	10 a.m.
EIPS Central Office	August 23	6pm
EIPS Central Office	August 27	6pm
EIPS Central Office	August 29	6pm
SouthPointe School	August 28	6pm

EIPS Central Office is located at 683 Wye Rd., Sherwood Park

SouthPointe School is located at 11 SouthPointe Blvd., Fort Saskatchewan

Space is limited and pre-registration is required. To register for a Little Elk Island Adventure, visit <https://goo.gl/forms/b0svKmWAoqHRSvZs2>.

More information regarding busing for kindergarten students is available at: www.eips.ca/transportation/kindergarten-busing-faq.

Name the Foal Contest

Students, up to the age of 14, are invited to submit a name suggestion for Strathcona County RCMP's newest foal. All name suggestions must begin with the letter F. **The entry deadline is June 30.** Submit a name: mounted.riders@strathcona.ca

Crayola ColorCycle

Crayola and schools across North America are banding together to help kids understand the importance of their role in protecting the environment. That's why we launched Crayola ColorCycle. Through this initiative, students in K-12 schools across the continental United States and parts of Canada can collect and repurpose used Crayola markers.

ColorCycle is also a great opportunity for teachers and their students to explore eco-friendly practices. Specially developed standards-based lesson plans are available to enrich instruction and promote lively class discussions.

LINKING GENERATIONS will pilot a new Volunteer Grandparent program at Brentwood Elementary School in September 2018.

In readiness for this exciting program, Linking Generations will begin recruiting **Senior Volunteers** who wish to connect with our grade five and grade six students in our school classrooms.

Seniors volunteers will enjoy the chance to share skills, knowledge & experience, while providing a valuable community service. The Linking Generations Volunteer Grandparent Program will work in partnership with Elk Island Public School Board and local groups to develop, place & support volunteers within the framework of the Grandparent Program.

If you have a Senior Family member interested in volunteering, please email Debbie Sinclair; Executive Director; Linking Generations at linkgendebbie@telus.net or check out Linking Generations website at www.linkinggenerations.ca
